## How To Rent a Costume

### **How to Rent:**

We still do things the old-fashioned way. We like to talk to and see our customers face-to-face. Many customers call us with questions but at some point, come on in to our shop to try on our costumes for fit and then reserve your selections.

And come in early. The earlier, the better. Better selection, better choices, and we guarantee your costume will be available for your event. And we have time to get it set up and ready for you to look your absolute best! We recommend coming in at minimum 2 weeks before your event. Also, we tend to close our Rental Floor 45 minutes to an hour before closing time – so plan ahead.

Once you reserve a costume, it is taken out of inventory and set aside for you for your date of use. To rent a costume, you must be 18 years of age or older, with some form of ID, to enter into a Rental Contract/Agreement.

The basic rental period is 3 days (pick up the day before your event, enjoy your event, return the day after your event). We do not charge for any days that Broadway Costumes is closed. Additional days/weeks rent at the rate of 50% per rental period plus tax. Special weekly rates and “play” rates may apply. Just inquire as to your special needs. Deposits are required and are equal to three times the stated rental rate. Minimum deposit is \$60. The deposit is NOT part of the rental balance. The entire rental balance can be prepaid but is definitely due when the costume is picked up. Accepted forms of payment (rental fees and deposits) include cash, check, credit or debit card. Deposits are refunded after costume return and any applicable fees are paid.

See our **Costume Rental Policies** for additional questions. Or give us a call – we’ll be glad to help you out!
