

Broadway Costumes

Costume Rentals

How-To's, Contract Terms & Conditions

Rental Rates & Deposits:

The basic rental period is 2 nights. We do not charge for any days that Broadway Costumes is closed. Additional days rent at the rate of 20% per day plus tax. Special weekly rates and "play" rates may apply. Just inquire as to your special needs. Deposits are required and are usually twice the amount required as the stated rental rate up to and including the current retail value. Minimum deposit is \$20. Deposits are not refundable for any cancellations unless 1 (one) week or more in advance, then 50% refunded. The deposit is NOT part of the rental balance. The entire rental balance is due when the costume is picked up. Deposits may be made by credit card (Visa, MasterCard, American Express) or by cash. Deposits are refunded after costume return and any applicable fees are paid.

Rental Return:

You must return all rented items by the date stated on the contract. Items not returned on the specified date are subject to a late fee of 20% of the basic rental rate per day late plus tax.

Alterations by Broadway Costumes:

Alterations and cleaning are normally included in the rental price. However, alterations may take up to two weeks at peak seasons; faster service may require an additional service charge.

Alterations by Customer:

NO ALTERATIONS are allowed by the customer. Any alterations done outside of Broadway Costumes will be considered as damage and will result in assessed fees.

Smoking and Eating While in Costume:

Be very cautious. Smoking can leave odors and can cause damage to costumes from falling ashes. Eating while in costume should be avoided but if you must, be neat, use your napkins and your table manners.

Damage to Rentals:

Permanent damage will consist of any tears and rips in fabrics; cutting of any kind; burns; dying or spray painting; gluing; perspiration or other stains. Lesser damage consists of any alterations by client include the raising and lowering of sleeves and hems; stitching side seams to take in or let out garments; shoulder adjustments; moving snaps, hooks, or eyes; removing motifs, hand beading or any other ornamentation; and, removing or adding buttons, trims, ruffles, feathers or sleeves. Fees assessed are based on the current replacement value of the costume.

Replacement Value:

The replacement value of costumes is based on current retail value. The rental rate may be only 1% to 2% of the actual value of non-replaceable or antique items. The paid rental amount is not applicable to the replacement value.

Policies and rates are subject to change without notice.
